SINGAPORE, 9 April 2019 – Mr Baey Yam Keng, Senior Parliamentary Secretary, Ministry of Transport & Ministry of Culture, Community and Youth, today officially opened the second edition of Rotorcraft Asia 2019 and Unmanned Systems Asia 2019, the region’s first integrated platform for rotorcraft and unmanned systems.

The three-day shows present a unique platform to build an ecosystem that will propel Asia Pacific’s growth in rotorcraft and unmanned systems.

Additionally, Guest-of-Honour, Senior Parliamentary Secretary, Ministry of Transport, spoke about Singapore’s vibrant unmanned systems industry, in which several sandboxes such as the Maritime and One-North Drone Estates provide a conducive environment to test-bed and develop a variety of urban and maritime drone applications.

For the first time since its inaugural edition, Rotorcraft Asia 2019 and Unmanned Systems Asia 2019 will be held in conjunction with the 7th World Civil Aviation Chief Executives Forum (WCACEF) organised by the Civil Aviation Authority of Singapore (CAAS).

About Rotorcraft Asia and Unmanned Systems Asia

Rotorcraft Asia 2019 and Unmanned Systems Asia 2019 is held from 9 to 11 April 2019 at the Changi Exhibition Centre in Singapore, with close to 100 companies from 23 countries gathering to showcase innovative solutions in rotorcraft and unmanned systems. A unique one-stop platform for visitors to discover the industry’s latest innovations and technologies, the events are organised by Experia Events Pte Ltd, and supported by the Civil Aviation Authority of Singapore (CAAS),

the Defence Science and Technology Agency, the Ministry of Transport, the Singapore Economic Development Board and the Singapore Exhibition and Convention Bureau.

About Experia Events Pte Ltd

Experia Events specialises in organising and managing exhibitions and conferences of strategic interest, fostering industry development and thought leadership. It has built a strong portfolio in aerospace and defence with the highly successful Singapore Airshow, Asia's largest aerospace and defence event, as well as key events such as IMDEX Asia, Asia Pacific's flagship maritime defence show; Rotorcraft Asia, the premier dedicated event for the global civil helicopter industry; and Unmanned Systems Asia, which presents the future of unmanned systems across a vast spectrum of commercial and defence applications.

Experia Events' expertise also extends to the government and lifestyle sectors, through key events such as the World Cities Summit, Singapore International Water Week and CleanEnviro Summit Singapore. With a proven track record underscoring its aspirations to stage events that influence, Experia Events aims to diversify its range of strategic events globally.
